BACK TO SCHOOL RALLY

We hope you are enjoying some rest, relaxation, and fun this summer. After the last 15 months, we all need some time to reconnect with family and friends and enjoy some activities that we have not been able to participate in this past year.

Although, you probably don't want to think about school, neither do we, we are having too much fun at summer camp. However, we do want to be ready to provide the essentials to the children of Camden and the surrounding community so that they are confident and ready for success when those school doors open. The stores will soon be stocked with backpacks and school supplies. Therefore, we wanted to share our needs with you so that you are able to take advantage of those phenomenal back to school sales. Each year we distribute approximately 300 backpacks filled with supplies to students in kindergarten through 12th grade at our annual Back to School Rally.

This year we are hosting the Back-to-School Rally on Saturday, August 28 at our program site in Pennsauken. Each year we invite our families and others from the community to come enjoy food, games, face painting, music, and other activities. Each student leaves with a backpack filled with school supplies. We also use this day to introduce our Learning Center and Saturday Live programs to new families. It is an awesome day and it helps build excitement for returning to school.

HOW CAN YOU PARTNER WITH US TO EQUIP AT RISK CHILDREN FOR SUCCESS?

- Donate NEW backpacks and NEW school supplies (Please see the enclosed list for specifics)
- Financial gifts to benefit the Kids Alley Learning Center, an after school, homework assistance and tutoring program. We also provide educational enrichment, nutritional support and education, and recreation and fitness.
- Consider volunteering at the Learning Center, Saturday Live, or our Back-to-School Rally.
